

We're All Moving!

WeWrite Kids Book #52

Illustrated by Troy Freeman

WeWrite is launching *We're All Moving!*, a book on moving through life, written by kids for kids.

"I like the idea of allowing kids to create the story instead of adults because the kids haven't learned to be limited as to what 'can't be done' yet. It's the same reason that kids get the Tango. I've presented my idea to adults and kids from all over and the kids 'get it' right away."

— Rick Woodbury, President, Commuter Cars Corporation

"I really like WeWrite books. The made-up characters are cool. They are fun stories."

— Joshua K, age 9, Tennessee
