Laura Lasnik, Realtor, Keller Williams Realty, California

"When I saw the WeWrite book idea, I thought, 'what a creative and unique way to give back to my community and show that I care about the whole family.' It's something fun and meaningful."

Kids see a fun-to-read book and identify with the alien kids and their feelings about moving.

Joshua K., Future Adult (age 9), Tennessee
"I really like WeWrite books. The made-up characters are cool. They are fun stories."
