

# "All Dried Out"

A book written by kids, for kids

## Just the Facts

Ewing Irrigation, Golf and Industrial & WeWrite LLC host children's book-writing workshop

### Workshop Dates:

October 15 & 16, 2005

### Workshop Site:

Ewing's corporate headquarters, located at 3441 E. Harbour Drive, Phoenix, Arizona.

### Participants:

16 children, ages 8-13, from California, Arizona, Colorado, and Texas.

### Goal:

To promote literacy while increasing awareness of water management and conservation in outdoor environments.

### Key Concepts:

- Fresh water is a precious and limited resource;
- There is a need for proper management and conservation;
- It is important to educate ourselves and others about wise use and management of water;
- There are new things being designed to help save water.

**English and version of "All Dried Out" available in November 2006. Spanish version available in early 2007.**

Ewing offers commercial and residential irrigation supplies, landscape and agronomic products, water management solutions, low-voltage lighting, erosion control, water features and industrial plastics to professionals serving the landscaping, turf, golf, and industrial industries.
